

ECCGT

EGYPTIAN COMPANY FOR GRAIN TRADING

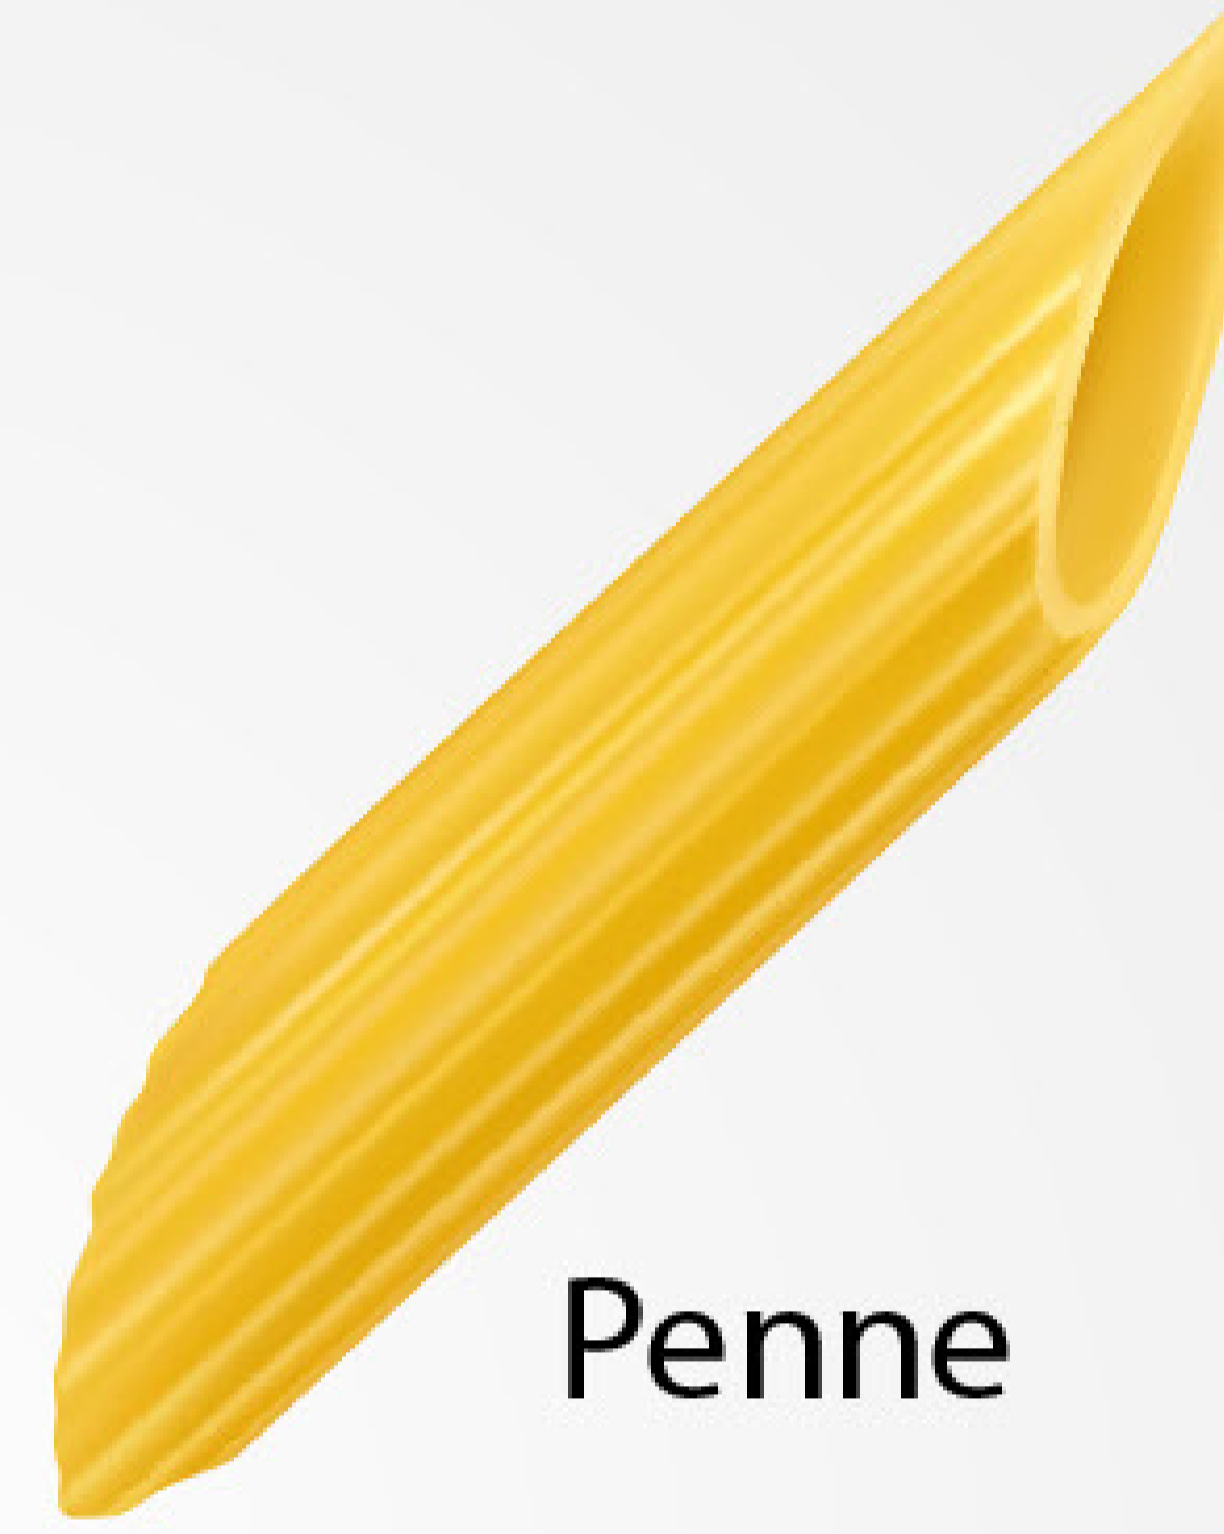

ECGT, the Egyptian Company for Grain Trading, commenced operations in 2018, specializing in the production and export of spaghetti, macaroni, and wheat flour. Over the years, ECGT has successfully exported its products to over 22 countries worldwide. In 2022, the company diversified its operations by venturing into wheat imports, alongside continuing its exports of various food commodities. ECGT aims to further broaden its scope in both food imports and exports, aiming to offer a diverse range of essential commodities.
